Introducing Our New International Internet Charter Subscription

The American Academy of Otolaryngology—Head and Neck Surgery is pleased to offer a new online subscription to international medical professionals who are not currently Academy members. Become a Charter Subscriber to this exciting new package that gives you some of the Academy and Foundation programs, including our AcademyU®. ENT Image Viewer, *Bulletin* Online, weekly e-newsletter “*The News*,” and a \$100 discount off registration for our Annual Meeting & OTO EXPO.

This new package will be available beginning in January 2010. The total cost is \$249 and will be renewable yearly.

AcademyU®

AcademyU® is our Foundation’s self-managed, e-learning system that offers you full-time, one-stop access to learning activities developed by experts.

The platform is packed with more than 150 clinical and practice management courses, clinical practice guidelines, policy statements, and treatment algorithms. AcademyU® includes the Otolaryngology Online Study Guide and COCLIA, online otolaryngology teaching tools for residents.

Annual Meeting Discount

Your subscription includes a \$100 discount on registration for our Annual Meeting & OTO EXPO, the world’s largest yearly gathering of our specialty.

The Annual Meeting is your chance to keep current with the specialty, meet renowned speakers, and network with colleagues from around the globe. Our huge exhibit hall showcases the latest technology, medical devices, and pharmaceuticals.

Bulletin

It offers online access to the *Bulletin*, our Academy’s colorful monthly magazine packed with the latest insider news on the specialty. It has regular segments on translational research, continuing education, practice management, and international and humanitarian activities.

ENT ImageViewer

This online service gives you access via a simple search to more than 760 images from across the specialty. Most images have supplementary notes and annotations.

The News weekly e-newsletter and the quarterly International E-Newsletter

Keep up to date with our e-newsletters that bring you deadline alerts from the Academy and the latest news on the specialty including media clips. This is an excellent way to get to know our Academy and see all that the Academy has to offer you.
