

CALL FOR PAPERS

Otolaryngology-Head and Neck Surgery is seeking papers relevant to **physician wellness** for a themed issue to be published in summer 2018.

TOPICS OF INTEREST INCLUDE:		
■ Physician Wellness	■ Physician Mental Health	■ Adapting to Technological Advancements
■ Resilience	■ Work - Life Balance Issues	■ Health Reform and Medical Practice
■ Physician Fatigue and Stress	■ Disruptive Physician Behavior	

Submit papers for the themed issue at www.editorialmanager.com/otohns. Choose the manuscript classification "Wellness Themed Issue" on the "Select Classifications" page when submitting. All article types are appropriate for submission.

Deadline for submission to be considered for this special issue is
February 1, 2018

Accepted papers may be published in the themed issue or a standard issue at the Editors' discretion.

Please contact the Editorial Office at otomanager@entnet.org for more information
