ENT PAC Supported Members of Congress

Each year, the ENT PAC Board of Advisors and staff strive to identify Members of Congress, candidates, and national party committees who will champion the issues important to otolaryngology – head and neck surgery. It is these individuals who receive contributions from ENT PAC. Remember, 100 percent of personal ENT PAC contributions are used to support our incumbent friends and elect new members who will become our allies on Capitol Hill.

2019-2020 Federal Legislative Priorities

- Oppose legislation that would inappropriately expand the scope of practice of audiologists and other nonphysician providers.
- Support a legislative solution for surprise billing that protects patients, increases insurer and hospital accountability, maintains access to care, and improves transparency.
- Support legislation to help protect patients from unnecessary delays in care by streamlining and standardizing the use of prior authorization in the Medicare Advantage Program.
- Advance legislation that will strengthen tobacco control efforts, by reducing the use of tobacco products (including e-cigarettes) and lowering exposure to secondhand smoke.
