

Brendan C. Stack, Jr., MD

**Candidate for
Nominating Committee
Academic (seat two)**

How will you select candidates for Academy leadership that best represent our diverse membership? What experience do you have that will aid in selecting leaders that will advance the mission of the Academy?

I will propose and advocate for academy members for leadership opportunities who have great passion for our specialty and extending its impact to ALL of our patients and learners regardless of their background, identity, or circumstance. A record of demonstrated impact will be required for my nomination or support. I will seek consensus from among members of the nominating committee to ensure a quality selection with strong broad support. I will take seriously that the selection of future candidate leaders as a crucial task to ensure that our organization represents our membership and flourishes into the future.

I have learned to recognize leaders from over 30 years of observation of both good and bad examples of leadership. Those experiences have both educated me, inspired me to seek greater understanding of GREAT leadership, and driven me to identify those characteristics crucial for inspiring and successful leaders. My value of a strong and effective leader is profound and inspires me on my personal leadership journey. Moreover, having served in various leadership capacities within the AAOHNS, American Thyroid Association and the American Head and Neck Society – Endocrine Section, I have learned the importance of leading by example, relationships, and making and keeping commitments.

It is an honor for me to have this opportunity to be considered for an elected office in the American Academy of Otolaryngology-Head and Neck Surgery. I consider the Academy to be my first professional home. I have been active in the academy since early during my Otolaryngology-HNS residency dating back to 1991 and have enjoyed the education and collegial opportunities of the Academy ever since. My consistent engagement over time is demonstrated by having received the Honor Award (2001) and 3 AAOHNSF Distinguished Service Awards (2006, 2012, and 2020). My academy service has been limited to committee appointments thus far and this would be my first foray into an elected position. Although not successful, I have been interviewed and considered for higher academy office in the past (Editor-in Chief of the academy's journal *Otolaryngology-Head and Neck Surgery*) and have been encouraged to apply, but have demurred due to commitments at the time, for the Coordinators of Education and the Annual Meeting Program. I have been very involved in both professional education and the annual meeting program over many years.

I am happy to gain experience with a level of Academy leadership and activity with which I presently have no direct experience. I think I will be value added to the academy nomination process. I know many academy members and am especially excited at the prospect of getting to know more through this very important activity of diligence and scrutiny that builds the foundations for our academy's future. I feel a person who is well known and networked is an advantage for a nominating committee member to consider all possible members as potential leader candidates.

I bring to this position a wealth of academic experience and a large number of relationships with colleagues and past and present trainees who are a great source of perspective on issues that face our Academy and profession writ large. I also bring leadership experience I garnered from my association with The American Head and Neck Society and the American Thyroid Association. I feel confident that my networking, familiarity with younger generations of academy members, my work-ethic, and my dedication to the academy mission will serve me and the academy well as a member of the nomination committee.

CURRICULUM VITAE

Name: Brendan C. Stack, Jr., MD, FACS, FACE

Current Employment: Professor and Chairman, Otolaryngology-HNS, Southern Illinois University School of Medicine

Place of Birth: New Orleans, LA

Education (include institutions, dates, degrees): Brigham Young University, Provo, UT 84602
09/81 to 06/83 and 01/85 to 06/85, no degree.
Eastern Virginia Medical School, P. O. Box 1980, Norfolk, VA 22501
08/85 to 05/89, MD

Residency and Fellowship: University of Washington School of Medicine
Fellow/Instructor
Molecular Biology Post-Doctoral Fellow,
Fred Hutchinson Cancer Center and Research Institute (T32 NIH funded)
University of South Florida College of Medicine
H. Lee Moffitt Cancer Center and Research Institute
07/1989 – 06/1995

Specialty: Head and Neck Endocrine Surgery

Licensure and Certification: IL, AR, UT
American Board of Otolaryngology-Head and Neck Surgery, #4911, 3/26/1996, lifetime

Previous Employment:

7/20/05 to 02/06/20 Professor, Clinician Scientist with Tenure
University of Arkansas for Medical Sciences, College of Medicine

July 1, 2005 Professor with Tenure (Clinician Scientist)
Pennsylvania State University College of Medicine

10/99 to 06/05 Associate Professor (Clinician Scientist, tenure track)
Pennsylvania State University College of Medicine

07/97 to 09/99 Assistant Professor (Clinician Scientist, tenure track)
St. Louis University School of Medicine

07/95 to 06/97 Instructor
University of Washington School of Medicine

Memberships and Offices Held /Academy and other societies: - American Academy of Otolaryngology - Head and Neck Surgery, **Fellow**

American College of Surgeons, **Fellow**

American Head and Neck Society, **Member (equivalent to Fellow)**

American College of Endocrinology/ American Academy of Clinical Endocrinology, **Fellow**

AO/American Society of Internal Fixation, Faculty

Society of University Otolaryngologists-Head and Neck Surgeons, Member

Eastern Cooperative Oncology Group, Member

American Thyroid Association, Member

Honors/Awards: (selected)

2020	Distinguished Service Award 3rd time awarded to BCS (433 members so designated to date)	American Academy of Otolaryngology-HNSF
2018	Committee Excellence Award for the Practice of Medicine Education Cmte.	Board of Directors, American Academy of Otolaryngology-HNS
2016	Deans Resident Teaching Award	UAMS College of Medicine
2015-20	Castle Connolly Top Cancer Specialists	Castle Connolly Medical, LTD
2014-20	Castle Connolly Top Doctors	Castle Connolly Medical, LTD
2012	"Dean's Educational Excellence Award"	UAMS College of Medicine
2012	"Distinguished Service Award" 2 nd time awarded to BCS	American Academy of Otolaryngology-HNSF

2011	“Site Interdisciplinary Team Award”, ACRIN 6685	American College of Radiology Imaging Network (ACRIN/ECOG)
2008	“Dean’s Resident Teacher of the Year Award ”	UAMS College of Medicine
2008	Health Policy Scholarship to the Heller School of Business, Brandeis University, Boston, MA https://www.facs.org/member-services/scholarships/health-policy/past-hp-winners	American College of Surgeons/American Academy of Otolaryngology-Head and Neck Surgery
2007-14, 19, 20	Listed in “ Best Doctors ” of America (top 5% of U.S. Physicians)	Best Doctors, Inc., www.bestdoctors.com
September 17, 2006	“ Distinguished Service Award ”	American Academy of Otolaryngology-Head and Neck Surgery Foundation
2006-2010	Endowed Chair, Otolaryngology-Head and Neck Surgery	UAMS College of Medicine
2002	AOA student Research Fellowship, Advisor for Ayesha N. Khalid, MD	AOA, Menlo Park, CA.
2001	Honor Award	American Academy of Otolaryngology-Head and Neck Surgery
1999	Academic Professor of the Year , selected by department residents	Department of Otolaryngology-Head and Neck Surgery, St. Louis University
1999	Member	Sigma Xi National Scientific Research Honor Society
1995	AAO-HNS/ARO Resident Research Award, 1st Place Award , Clinical Science	AAO-HNS/ARO
1989	Franklin Award for Excellence in Internal Medicine	Eastern Virginia Medical School
1989	Dean's Service Award	Eastern Virginia Medical School
1988	Honor Medical Society	Alpha Omega Alpha
1982, 83, 85	Dean’s List	Brigham Young University
1981-1982	Dean's Scholar	Brigham Young University
1981	1st place award , USAF, International Science and Engineering Fair, Milwaukee, WI	1981 International Science and Engineering Fair
1981	Grand Prize , Fairfax County Public Schools Science Fair, Fairfax, VA	Fairfax County, VA Public Schools
1981	Student Exposition on Energy Resources, Bronze Medal , NYC, NY	National Energy Foundation
1981	“ Most Patentable Award ”, Fairfax, VA	VA State Bar Association
1981	Student Intern, US Army Night Vision and Electro-optics Laboratory, Ft. Belvoir, VA	National Science Foundation grant to the University of DC
1980	Student Intern, US Naval Research Laboratory, Anacostia, Washington, DC	National Science Foundation grant to the University of DC
summers of 1976, 1977	Volunteer Page	U.S. House of Representatives and U.S. Supreme Court , Washington, D.C.
July 1976	Eagle Scout (at 13 years of age)	Boy Scouts of America

Community Service: Local leader, Church of Jesus Christ of Latter-day Saints, various positions

Regional/Local Hospital Participation: N/A
