- **Programs** that provide professional skills training focusing on negotiation, leadership, and managerial skills,
- **Online learning tools** such as podcasts and webinars that enhance both personal and professional career development,
- Engagement of **noted speakers** relevant to women's needs and interests to participate at AAO-HNSF WIO Section meetings and functions,
- **Expand funded projects** such as the Local WIO Chapters and other networking opportunities nationally,
- **Continue** to lay the foundation for the next generation of women in otolaryngology.
